

Are you getting updated information on Covid-19?

Follow up question: From who and how often?

Do you use the back door of the kitchen for entry?

Where is your dietitian? Are they self isolation or out sick?

Where do you enter and what is your procedure when you enter the kitchen?

Who services the dish machine and how often?

Who checks/fills the sanitizer bucket and hand soap machines?

Staff then instructed to test hand sanitizer bucket concentration

How often does your chemical company (in this case Brady) come in and check your supplies? Is your department fully staffed?

How are your hall trays served and do you use a cart?

How are isolation trays being served?
